CONFERENCE AND AGM WEEKEND

www.bafm.org.uk

Welcome to the Isle of Man

The Isle of Man is a wonderful place of beauty, history and tradition which lies in the Irish Sea between the UK and Ireland.

The Friends of Manx National Heritage are delighted that BAFM has given the Isle of Man the opportunity to show off our Island for their 2010 Conference.

A weekend is not nearly long enough to explore all we have on offer. Choosing our excursions has not been easy as we have so much to show you! With this in mind Manx National Heritage have generously offered to give you all free passes to visit our many historical sites. We also hope you will extend your stay so that you can enjoy our very varied history, or simply enjoy walking in our beautiful countryside. We have good public

transport links, along with our famous Steam Railway and horse drawn trams to help you get around.

The Isle of Man is steeped in history, going back to the Celts and Vikings, and it is therefore fitting that theme for the conference is 'Interpreting Our Heritage: Past, Present and Future'. The morning Conference session will consist of three talks from experts at the Manx Museum who will speak on the general theme of heritage: what it is and why it is important; how the concept and presentation has changed over the years, and how Friends organisations can play their part in making our heritage relevant for future generations.

We look forward to seeing you in September.
